

Disability Equality Scotland

Hate Crime Charter

Hate Crime is when you are targeted because of who you are or who someone thinks you are. This could be because of your race or religion, your disability, your sexual orientation or your transgender identity.

Targeting someone because of who they are is wrong. It could be a criminal offence.

Everyone has the right to travel safely.

Any aggressive, bullying or harassing behaviour will not be tolerated on this service.

If you become aware of any aggressive, bullying or harassing behaviour, we need you to report this. (There are different ways you can do this).

[Name of Provider] will make sure all incidents you tell us about are recorded and where appropriate, reported to the Police.

We will take you seriously.

Don't ignore it – Report it!
